Assistant Deputy Director for Scientific  
and Technical Intelligence  
Defense Intelligence Agency  
Washington, D.C. 20340-0001

Dear John:

I just wanted to take a moment to thank you for your kind note following the meeting with Senators Cohen and Glenn.

As I mentioned, I think the meeting went well. You're doing a great job with the program, and I'm hopeful that it is now on the right track. I think the Senators were impressed with the briefing.

I appreciate your invitation to spend a couple of hours with you and your staff to give me a better feeling for the diversity of the material you're handling and the quality of your people. It's something I'd like to do. Perhaps during the Easter recess I might have the time to do that. If that time were to work for you, please get in touch so we can try to set that up.

Again, many thanks.

Sincerely,

James H. Dykstra  
Deputy Assistant Secretary of Defense  
for Legislative Affairs (Senate)
